ARTIST BENCHES

STANDARD SIZE

Size: 16 1/2" x 21 1/2"
Adjusts from approximately 18" to 21"
(Shown in Ebony satin)

Features diamond tufted vinyl top upholstery.
Nine leg styles available.

Finishes Available: Ebony, Walnut, Mahogany, and Unfinished.

Options (additional cost): Hi-Polish, White or Ivory Finish,
Leather upholstery and Pneumatic Mechanism

PETITE SIZE

Size: 13" x 21"
Adjusts from approximately 18" to 21"
(Shown in Mahogany satin)

Features the same adjustable mechanism used in the standard size artist bench. This smaller size bench is ideally suited for smaller grand pianos, vertical pianos, and in practice rooms.

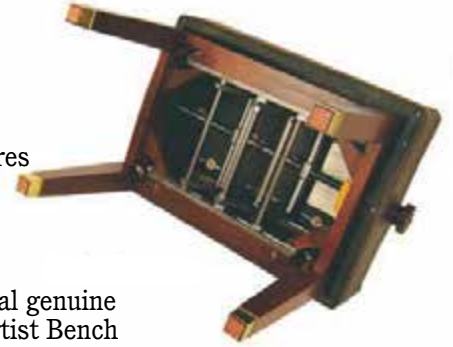

Finishes Available: Ebony, Walnut, Mahogany, and Unfinished.

Options (additional cost): Hi-Polish, White or Ivory Finish, Leather upholstery

JANSEN® FINE ARTIST BENCHES BEGIN ON THE INSIDE

Our silent "Micro-A-Just" mechanism features precision, durability and convenience.

Our proven **quality** begins with the material selected. Solid Maple hardwood legs and frame with durable vinyl or optional genuine leather upholstery are featured on every Artist Bench manufactured by Paul L. Jansen and Son®.

DUET SIZE

Size: 16 1/2" x 33"
Adjusts from approximately 18" to 21"
(Shown in Walnut satin)

Features diamond tufted vinyl top upholstery.
Nine leg styles available.

Finishes Available: Ebony, Walnut, Mahogany, and Unfinished.

Options (additional cost): Hi-Polish, White or Ivory Finish, Leather upholstery

PIANO ACCESSORIES / BENCH PADS

Provides comfort and color to your piano bench

Manufactured by Paul L. Jansen & Son® to exacting standards with luxurious suede fabric - individually tufted. Adds color and comfort to your piano or organ bench. Polyurethane foam padding is 1" thick for extra comfort. Easily attaches to bench with tie strings. . .completely reversible. Because of our special design with a classic rolled edge, length and width measurements of bench need not be as exacting as with other bench pads.

CORY CARE PRODUCTS

Super High Gloss Polish

Specially formulated to clean and protect high gloss polyester, polyurethane and lacquer finishes in one easy step. Use Super High Gloss Polish as often as desired to eliminate fingerprints, smudging and static that attracts dust. Available in 8oz. bottle.

All-Brite

All-Brite is a non-greasy treatment designed to polish and preserve all fine lacquered instrument surfaces. It protects against drying and cracking and is perfect for lacquered wood finishes. Use on pianos, organs, benches, and band instruments. Available in 8oz. bottle.

Satin Sheen

Satin Sheen's remarkable cleaning and conditioning properties make maintaining any satin finish easy. Use Satin Sheen to remove fingerprints, smudges or grime. Available in 8oz. bottle.

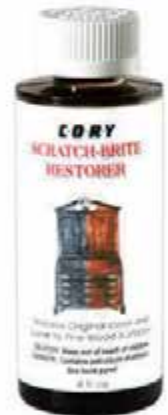

Buff-Brite

Buff-Brite is a high-tech, water-base buffing compound that gently removes fine scratches from all high performance finishes, including brass, silver, and nickel. Excellent for shining piano pedals too. Available in 4oz. bottle.

Scratch-Brite

Scratch-Brite colors and repairs surface scratches on all walnut, mahogany, maple and pine instruments and furniture. It leaves surfaces polished to a smooth, high, long-lasting beautiful luster. Available in 4oz. bottle.

Keyboard Detailer

A unique one-step cleaner/conditioner/polish designed for use on all plastic, metal, formica, wood, leather and similar synthetic surfaces. Great for synthesizers, digital pianos and digital keyboards. Available in 4oz. bottle.

Key-Brite

Cleans, brightens and preserves all plastic, ivory and wood keyboards...even electric. Spray directly on keys and gently wipe them clean. It's completely safe on all surfaces and dissolves wax build-up. Excellent for computers too. Available in 4oz. bottle.

Ultimate Care Kit

This Kit provides the complete care maintenance for any instrument. Each kit comes with a polisher and cleaner cloth, one 4oz. bottle of Key-Brite and your choice of one 4oz. Satin Sheen or one 4oz. Super High Gloss Polish. Options:

Hi-Polish or Satin Finish

CORY CARE PRODUCTS

Honey Oak Conditioner

The finest oak moisturizing polish and wood conditioner available. Use regularly to moisturize and protect all fine oak surfaces. Color hues have been specially added to bring out the true luster in oak grain. Apply to fine furniture, paneling, antiques and more. Available in 4oz. or 8oz. bottle.

Natural Wood

Our #1 wood tone polish for lacquered pianos. Use regularly to moisturize and protect all finishes and open pore wood surfaces. Apply to all fine furniture, paneling, antiques and more. Use regularly to keep wood finishes looking moisturized and protected. Available in 8oz. bottle.

Grand Piano Detailing Kit

Complete 7 Piece Cleaning Kit containing Piano Polish, Key Cleaner, Sound Board Cleaner, Pinblock Cleaning Brush, Polishing Cloth, Mega dusting Cloth, Cleaner Cloth

Options: **Hi-Polish or Satin Finish**

Pre-Polish Finish Cleaner

An outstanding cleaner, preparing a surface for any of the Cory polishes. Use Pre-Polish to remove grime, oil, smudges, fingerprints or contaminants. Pre-Polish is a safe, water based formulation that is safe for all finishes. Available in 8oz. bottle.

Harmony Detailing Oil

The perfect blend of moisturizing oils for all wood and metal piano surfaces. Apply to case parts, soundboards, damper heads and plates. Hand buff to high luster. Use regularly to preserve moisture and shine. Not recommended for satin or high polish finishes or use on strings or tuning parts. Available in 4oz. and 8oz. bottle.

Coconut Cleaner

Naturally cleans all paint and wood surfaces. This cleaner is an amazing, all natural cleaner that deep cleans grime, wax, and build-up from most household surfaces. Apply directly onto surface to be cleaned, allow to soak into grime and stains before wiping. Available in 4oz. and 8oz. bottle.

PIANO ACCESSORIES

WITTNER METRONOMES

Made by German Craftsmen, the Wittner metronome is an outstanding product in quality and appearance.

- Latch on cover
- Adjustable weight on pendulum
- 4 1/8" square base, 8 1/2" high

No. 1120 - Mahogany

No. 1121 - Ebony

No. 1122 - Walnut

WITTNER TAKTELL PICCOLO

Key wound pendulum type metronome is extremely accurate and comes complete with a dust cover that protects the instrument when not in use.

A standard, multi-colored plastic metronome that measures 6" high, 2 3/4" wide and 1 3/4" deep.

No. 1125 - Mahogany

No. 1126 - Beige

No. 1127 - Ivory

No. 1128 - Black

WITTNER SUPER-MINI TAKTELL

This metronome is the smallest and most accurate in the world. Measuring 4" high, 1 7/8" wide and 1 1/2" deep, it runs as long and conveys the beat just as reliably as other larger Wittner models. Plastic case comes in a ruby red color.

No. 1123

PIANO ACCESSORIES

PIANO SOUNDBOARD CLEANER/DUSTER

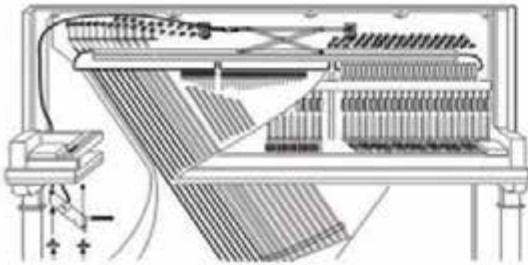

- Easily cleans between the Strings & Soundboard
- 36" - approximate overall length
- Replacement Covers Available

Piano Soundboard Cleaner / Duster is your answer to the age-old question:

"How do I clean under the strings of my grand piano?"

Now it's simple, just assemble the duster and slip on the plush cover. You can even use the duster for other hard to reach places. When the cover gets dirty you can wash it in your washing machine or simply replace it.

Quiet Keys™ Vertical Piano Mute (curtain/muffler)

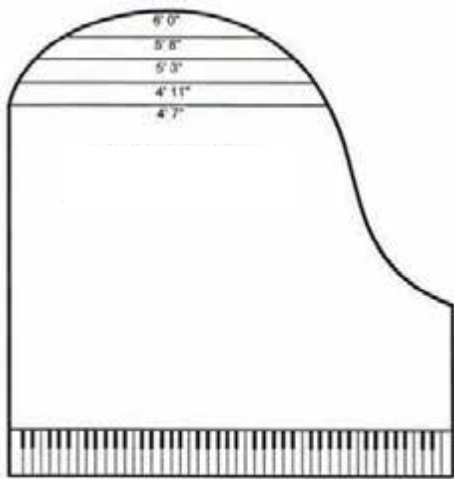

Easy Installation! A proven design that will compliment the very best pianos. Quiet Keys™ comes ready to install with all parts and on-off control included. When "on" acrylic felt drops between piano's hammers and strings reducing volume without affecting playability. When "off" piano functions normally.

PIANO VOLUME CONTROL!

Mounting to two tuning pins
Quiet Keys™ adjusts to fit any sized vertical piano.

- Pitch is unaffected!
- Instant removal for tuning!
- Piano finish is untouched!

GRAND PIANO FLOOR TEMPLATE

Trying to determine the best size Grand Piano for your home? Use the all new, all in one, **Grand Piano Floor Template**.

- Only one template needed for 5 different Grand Piano Sizes (from 4'7" to 6"0").
- Made of foldable, heavy duty brown kraft paper
- Affordable
- Re-useable
- Easy to use - Just fold at line for desired piano length!
- Minimum Order - 6

PIANO COVERS

GRAND PIANO COVERS

- Available in Black or Dark Brown Mackintosh
- Available in Black or Dark Brown Vinyl
- All covers come with slits
- Locking Straps available at additional cost
- See price pages for a selection of Models and Sizes
- Vast selection of patterns available, too many to list!

We use the highest quality materials and craftsmanship, these grand piano covers are custom manufactured to fit any make and model piano.

Select your brand of piano from the choices listed in the price pages.

If you do not see your piano listed, please call and we will check our library to see if it is available.

We have a wide selection of materials for you to choose from, including Mackintosh, Vinyl, Nylon Padded and Cotton Padded.

MACKINTOSH:

Mackintosh is woven non-cotton material bonded to a soft lining. Mackintosh is an attractive and popular fabric, as it has a softer and warmer look to it than the vinyl. Exceptionally tough and durable and well suited for use in schools, churches, theaters and studios. Mackintosh is thicker than vinyl, and offers more protection from bumps and scratches.

VINYL:

Vinyl is heavy leatherette, bonded to a soft fleecy backing. We use a thick, furniture-grade quality vinyl, not a paper-thin vinyl that looks like plastic. Can be dusted easily, wiped with a damp cloth, or vacuumed.

DIGITAL PIANO COVERS

- Available in Black or Dark Brown Mackintosh
- Available in Black or Brown Vinyl
- Available in Short Drop and Full Drop
- Digital Grand Covers are also available
- Call with make, model, width, depth and height of digital piano

G7PS 50	Grand 7-Part System with H-5 Humidistat, one 48-inch, 50-watt primary dehumidifier, one 24-inch, 25-watt secondary Dehumidifier, and two Universal Tank Humidifiers with one Smart Bracket.

Dampp-Chaser® Humidifier Treatment was formulated to minimize bacterial and algae growth in the Humidifier tank and watering tube, by adding 1/2 capful of Humidifier Treatment to each can of water, the piano owner can prolong Humidifier pad life, keep the watering tube clear and reduce mineral build-up on the pads and in the tank.

Available in 7.5oz and 16oz. bottles.

UHP 4
The 4-Pack comes with 1 black liner, 1 clear liner, and 4 clean sleeves

UHP 48
The 48 pack is your best value. Comes with 12 clean sleeves.

Please check the price sheet under Humidifier supplies for other supplies related to the humidifier.

Watering cans and fill tubes can be purchased separately.

MOVING EQUIPMENT

DUAL TRUCKS

Deliveries using only one man!

Instantaneous control at your fingertips. Spring-loaded plunger allows swivel wheels to be locked for one-man operation or swivel in unlocked position for two-man operation.

When ordering specify base size:

23" x 5" Angle base (for pianos and organs)

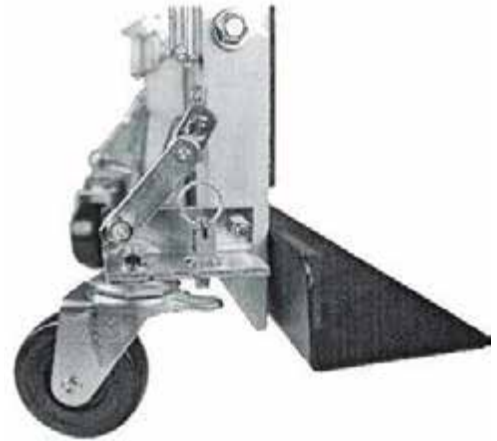

28" x 4" Angle base for Hammond B3

Dual trucks with swivel caster locks and four 7-foot web straps included. Shipping weight 55 lbs.

Replacement straps available:

- 1 set of 4 web straps 7'
- 1 set of 4 web straps 8'
- 1 set of 4 web straps 10'

Place one truck at each end of the load, fasten straps and press foot-lever at each end to raise load for moving. Handles fold out of the way when not in use. Uses four straps to hold piano or organ securely.

No clumsy thumbscrews to lose, bent or damaged threads becoming inoperable.

Always working, easy to use, foolproof, fingertip operated spring-loaded swivel caster locking mechanism.

Castors "fully retract" off the floor to allow piano or organ to rest on its own weight. Will not skid or roll while traveling.

GRAND TRANSPORTER®

- One Man Operation
- Heavy Duty
- Will Lift 3000 lbs.
- Folds for easy storage

Will lift and move any size grand piano.

In less than one minute one person can position GRAND TRANSPORTER® under the grand piano to lift the piano off the floor to move the piano.

GRAND TRANSPORTER® folds for easy storage and for moving from place to place.

GRAND TRANSPORTER® sits over a Grand Piano Dolly and lifts the piano to install or remove the Grand Piano Dolly.
